Please note that we are subject to Money Laundering Regulations and as such we undertake a variety of checks to 'verify' our clients. Whilst we endeavour to keep these to a minimum there will be occasions where we are required to request personal documents such as Passports, Driving Licences and/or utility bills. In such circumstances we will discuss those requirements with you as soon as possible.

Confidentiality undertakings to ensure your information is kept confidential and only processed in accordance with our instructions.

We will normally disclose to you all information material to your affairs and business regardless of the source of that information. However, we will not pass on to you any confidential information about the affairs of any other client.

Inside information

Where requested to do so by you, we will make effective arrangement, having regard to any FCA guidance and the requirements of the MAR, to draw up and maintain an insider list in relation to your company and will provide you with a copy of such insider list as soon as possible on request. In relation to third parties acting for you whom we have not engaged, we will assume that you have secured the necessary agreements in relation to inside information.

We reserve the right to charge you for these additional requirements in accordance with the normal arrangements we have with you.

Financial Services Compensation Scheme

The Financial Services Compensation Scheme (the "FSCS") aims to provide eligible claimants, including individuals and small companies who deposit monies with an authorised deposit taking institution with some protection in the event that that institution collapses. Generally speaking larger businesses are excluded assistance by the FSCS although there are some limited exceptions to this.

The maximum level of compensation that can be awarded is £85,000 (EIGHTY FIVE THOUSAND POUNDS) but it is important to be aware that the £85,000 compensation limit applies to each depositor for the total of their deposits with the institution, regardless of how many accounts are held or whether the depositor is a single or joint account holder. This means that any personal monies held by depositor will be aggregated with any monies already deposited by us in the same institution on their behalf.

Please be aware that some deposit taking institutions may trade under several brands meaning that monies may in fact only be deposited with only one institution despite the use of various names. More information can be obtained from the deposit taking institution, the FSA or a financial advisor.

Should a deposit taking institution collapse we will contact that FSCS and provide them with details of all clients for whom money is held in the relevant account. In order to do this we will be required to obtain our clients consent and we will arrange to obtain this should it become necessary.

The FSCS is an independent body, set up under the Financial Services and Markets Act 2000 (FSMA). For further details please visit the Financial Services Compensation Scheme at <http://www.fscs.org.uk/>.
